|---|---|

- *44 Ifor Williams Type LM105GHD 3m twin axle galvanized drop side trailer capacity 3500kg Serial Number SCK600000TO191144
- *45 2m single axle steel bodied trailer
- *46 A range of road signs, bollards and plastic safety fencing etc
- *47 A range of 18 sections of crowd barrier
- *48 Approximately 70 sections of Heras mesh fencing together with grey stillage, 5 pallets of feet, 7 gates and 23 sections of galvanized crowd barrier (about 60 panels for dismantling)
- *49 91 sections of galvanized Heras type solid fence panels together with various fittings , stabilizers and 5 pallets of orange feet
- *50 7 pallets of Heras fencing feet
- *51 5 blue Heras fencing stillage carrying frames
- *52 Forklift mountable bunded diesel bowser with lifting eyes together with Gasboy hand operated pump, hose and nozzle
- *53 A range of galvanized scaffold tube and fittings, currently erected as racking for pipe fittings etc
- *54 Approximately 56 x 3.9m wooden scaffold boards
- *55 12 polypropylene cement bins
- *56 13 sections of Supa Chute waste chutes
- *57 Approximately 40 sections of water fillable polypropylene safety barriers
- 58 Spare lot
- 59 Spare lot
- 60 Spare lot
- *61 Set of lifting chain brothers
- *62 Maco Model No 107804 hydraulic heavy duty breaker
- *63 10 x 2m acrow props
- *64 7x 2m acrow props
- *65 Miscellaneous building items including caution tape, pipe testing bungs etc (on 2 shelves)
- *66 Various electricity supply boxes and boards (bottom shelf)
- *67 19 acrow pit props
- *68 8 x 2m acrow props
- *69 Patay DD120 hand operated sludge pump with fire hydrant and miscellaneous piping
- *70 Geda combi lift builders scaffold lift Year 1986 Serial Number 0631 13232 load capacity 175KG
- *71 Stillage of miscellaneous air and water piping, lifting slings etc
- *72 Large quantity of fire extinguishers
- *73 Green plastic gas meter box
- *74 Clipper Major single phase electric site stone saw
- *75 2 metal sack barrows
- *76 A pipe bender on stand and a pipe vice
- *77 Miscellaneous cleaning equipment and a 4 drawer filing cabinet
- *78 6 site fire bells and other associated equipment
- *79 A range of miscellaneous water heaters, pedestal fans, microwave ovens, convector heaters and sundry items (top shelf)
- *80 A range of 110v and other site lighting and cable
- *81 A range of industrial vacuum cleaners, wire and sundry items (bottom shelf)
- *82 Hayter "Twenty One" rough terrain rotary petrol mower
- *83 A range of 110v building site lighting, various ranging rods and 2 tripods
- *84 A range of builders hand tools, post rammer, drain rods, wheelbarrow etc
- *85 3 lengths of aluminium tube hand rail and 2 up stands
- *86 Access-ability 6m x 600mm aluminium crawling board
- *87 Access-ability 6m x 600mm aluminium crawling board
- *88 3.5m x 450mm aluminium framed crawling board
- *89 3.5m x 450mm aluminium framed crawling board
- *90 1m mini tractor garden roller
- *91 Approximately 28 110v fluorescent site lamps
- *92 Probst FTZ crane mountable brick grab
- *93 2 temporary trench/manhole covers
- *94 Grit salt polypropylene container
- *95 Bundman bunded polypropylene diesel tank with delivery nozzle, hose and meter
- *96 Bundman bunded polypropylene diesel tank with delivery nozzle, hose and meter
- *97 1300 x 750 x 400mm polypropylene oil drainage unit
- *98 Grey steel lockable tool vault
- *99 Blue steel lockable tool vault
- *100 Blue steel lockable tool vault
- *101 Blue steel lockable tool vault
- *102 Blue steel lockable tool vault
- *103 Access-ability aluminium scaffold tower together with a range of Youngman type boards and accessories
- *104 Access-ability aluminium chimney scaffold system
- *105 A range of yellow steel safety handrail brackets for scaffolding
- *106 17 rung aluminium roofing ladder
- *107 Double 14 aluminium extending ladder
- *108 Double 16 aluminium extending ladder
- *109 Double 14 aluminium extending ladder
- *110 Triple 7 aluminium extending ladder together with

- a small step ladder
- *111 2 wooden decorating trestles
- *112 4 painted aluminium ladders
- *113 Green steel double door cupboard containing miscellaneous paint, antifreeze, fuel cans etc
- *114 Sealey power hoist 1 ton capacity folding garage floor crane
- *115 3 hand operated barrel pumps
- *116 Shell oil drum on trolley together with 2 other oil dispensers
- *117 A range of miscellaneous oil, de-ionised water, oils and fluids
- *118 2 plastic oil bunds
- *119 Pine desk, Creda dryer, Hozelock hose pipe and sundry items (in the corner)
- *120 Miscellaneous softwood timber
- *121 2 ton plus trolley jack and a bottle jack
- *122 8 various axle stands and a pair of car ramps
- *123 Miscellaneous fixings, chain, loading straps, grease, filters and sundry spares in the pigeon hole racks, lin bins and blue painted cupboard
- *124 A range of angle iron, tube, studding etc
- *125 Set of BOC oxy acetylene welding gear with trolley, gauges and hoses (bottles excluded)
- *126 A range of miscellaneous tools and sundries including steel off cuts, fixings, wheels and tyres, line marker etc (on and under the 2 corner benches)
- *127 A range of 110v fluorescent site lights and cabling
- *128 Hubblast 500kg chain block and tackle together with a set of chain brothers, a Hackett beam clamp etc
- *129 A range of sockets, Sykes-pickavant tooling etc
- *130 A range of trailer parts including jockey wheels, lighting board, cable, struts etc
- *131 BOC Transarc Tradesman DC130 arc welder with accessories on 3 drawer cabinet
- *132 110v industrial vacuum cleaner and 2 Henry vacuum cleaners
- *133 Single phase electric double ended grinder/wire wheel
- *134 Warsop-matrix 110v 1.5" submersible water pump
- *135 2 diamond tipped saw blades
- *136 Part set of core drills in case
- *137 Power Performance cordless circular saw with 2 batteries and charger
- *138 Makita 100mm disc grinderette and a Bosch grinderette (110v)
- *139 Makita 110v 1/2" drill with case
- *140 Focus site level
- *141 Homebase site level
- *142 Hitachi 1.2" drive single phase electric router
- *143 Makita 110v 1.2" electric drill
- *144 4 various air operated air tools
- *145 Black & Decker heavy duty 110v drill together with a tripower transformer
- *146 Heavy duty 110v transformer
- *147 Heavy duty 110v transformer
- *148 Heavy duty 110v transformer
- *149 Heavy duty 110v transformer
- *150 Heavy duty 110v transformer
- *151 Steel tool vault with hasp and staple locks
- *152 16 litre knapsack sprayer and 1 other sprayer
- *153 Rotary hand operated pump in box and 1 other
- *154 110v concrete poker
- *155 Wall mounted retractable single phase electric extension lead together with a range of other single phase and 110v leads
- *156 Digbits specialist fitting for digger
- *157 A range of Sala fall arrest equipment
- 158 Spare lot
- 159 Spare lot
- 160 Spare lot
- *161 Hayter Harrier 56 rotary petrol mower with box
- *162 Stihl FS80 petrol strimmer
- *163 Clark Tiger 2500 petrol pressure washer on trolley
- *164 Clark Tiger 2500 petrol pressure washer on trolley
- *165 Nilfisk C110.4 electric pressure washer
- *166 KES heavy duty 110v site transformer/junction box
- *167 KES heavy duty 110v site transformer/junction box
- *168 KES heavy duty 110v site transformer/junction box
- *169 HGI Model SKD26 diesel powered site generator
- *170 Stephill petrol site generator
- *171 Stephill petrol site generator
- *172 Haverhill skid mounted petrol generator
- *173 Stephill generator with Honda petrol engine
- *174 Skid mounted site generator with 6.5hp petrol engine
- *175 Skid mounted site generator with 6.5hp petrol engine
- *176 Vulcan MKII paraffin electric space heater
- *177 Steam Master paper stripper
- *178 Taskmaster Model TMAC9-60P single phase electric workshop air compressor
- *179 Warwick HX90 steam cleaner or trolley
- *180 Markon Type B21C 5.0KW diesel powered generator
- *181 Barowmix Minor petrol 1.2 bag cement mixer with stand

*182	6 builders band stands	213	An oak framed and red leather lounge suite comprising 3 seater sofa, 2 seater sofa and matching easy chair
*183	Wacker petrol trench compactor		
*184	Petrol wacker plate with Robin EY12 engine	214	Spare lot
*185	Slab cutter on trolley	215	Spare lot
*186	Single bag single phase electric dust extractor	216	Spare lot
*187	3 various 110v site lights	217	Spare lot
*188	CH&D Model 5557W water pump with hose (requires repair)	218	Spare lot
*189	A range of various wacker plate, disc cutter, generator and hand tool spares (for repair)	219	Spare lot
*190	DCE Unimaster dust extractor with a length of galvanized ducting	220	Spare lot
*191	3 Record 136 8ft tee bar sash cramps together with 2 machinery parts	*221	A range of various building requisites including First Aid kits, safety wear, met posts, light bulbs, plastic vents, cable, brackets etc (the contents of the First Store Room)
*192	Banding machine with tape and clips on trolley	*222	A range of part cans of emulsion (the contents of the Second Store Room)
*193	Large 10ft carpenters work bench with Record No 53E vice	*223	5 sheets of 8ft x 4ft x 19mm plywood
*194	A range of sundry items including wheel clamp, chain, hanging basket brackets, deck chairs, waste bin, First Aid cabinet, signage parts etc	*224	Approximately 36 various flush and panel internal doors
*195	2 decorators trestles and a quantity of dust sheets	*225	A pack of floor board extra poly foam insulation batts together with 9 other insulation batts
*196	18 section personal locker unit together with a range of maple finish kitchen cabinets	*226	Stack of 32 mainly panelled internal doors
*197	3 ERA locca door access units together with 2 battery packs	*227	Large quantity of various insulation materials
*198	Gledhill water cylinder with fittings	*228	11 various gas meters and housings
*199	8 various stainless steel sinks, stainless steel shelf etc	*229	A large quantity of various nails in the pigeon hole rack and loose buckets together with approximately 6 boxes of window packers
*200	Bosch Classixx 1200 express washer dryer and a Whirlpool dryer	*230	A quantity of various paints and emulsions
*201	A Victorian cast iron bedroom fire place	*231	A range of building products including wall ties, joist hangers etc
*202	Santon R unit water heater	*232	A range of Plytherm, Solcourse and other damp proof materials
*203	2 Velux and 1 other roof lights	*233	14 flush and panel internal doors
*204	2 stainless steel cooker extractor hoods	*234	Various notice boards
*205	Daikin air conditioning condenser and a Schiller fan heater	*235	A quantity of rock salt (in the building and on a pallet)
*206	13 IG steel clad external doors with wooden frames	*236	A quantity of sand bags and 2 polypropylene containers of building paper
*207	A range of taps, plumbing and drainage fittings including pipe, gutter, waste pipe, insulation, fittings together with a range of carpet tiles (in the first 3 sections of the wooden racking)	*237	A Victorian slate fire surround
*208	A large quantity of door furniture, fixings, mirror etc (in the 6 remaining sections of the wooden racking)	*238	4 various wooden windows (one glazed)
*209	A range of sterling board doors with hinges together with miscellaneous hardboard, plywood, MDF etc	*239	Approximately 37 1.5m fluorescent light fittings
*210	A range of UPVC and wooden windows (approximately 10 in total)	*240	Steel storage container with lift top
211	Steel dog cage with liner	*241	A quantity of miscellaneous office furniture including desks, chairs, stacking chairs, white boards, refrigerator etc
212	Folding van seat	*242	A quantity of 3" and 4" primed and unprimed skirting
		*243	A range of plasterers bead and associated items
		*244	9 gas outdoor supply meter boxes
		*245	A dark oak fire surround
		*246	A Victorian painted and mirrored back over mantle

- fire surround
- *247 A Victorian cast iron fire place
- *248 A Victorian cast iron and tiled fire place insert
- *249 7 various internal and external panel doors
- *250 A Victorian wrought iron solid fuel inset burner
- *251 3 fire hoses
- *252 A range of fire strip and draught excluder
- *253 A large quantity of galvanized strapping etc
- *254 A pine pedestal desk of 9 drawers with red leather inset top
- *255 Approximately 8 Manthorpe lockable loft access doors
- 256 A large quantity of various building materials including plastic vents, pipe fittings, manhole steps, adhesive, tarpaulins, straining wire etc
- *257 2 fold flat tables and 11 fold flat folding bench seats
- *258 Miscellaneous timber and board (the contents of the rack)
- *259 Roll of plastic reinforcing mesh
- *260 Various steel reinforcing rod
- *261 Approximately 20 steel fence sections in 3 styles, some with finials
- *262 A range of various sanitary wear including toilets, concealed cisterns, shower doors, shower trays, bath etc (the contents of one container)
- *263 Miscellaneous softwood timber (the contents of one container)
- *264 A range of stained softwood timbers (in one container)
- *265 Approximately 1500 concrete paviors in Staffordshire blue, red and buff finish
- *266 2500 Wienerberger Baggeridge red smooth Class B engineering bricks
- *267 6 stillages of concrete and Thermalite blocks and bricketts
- *268 A piece of wrought galvanized street furniture with fittings
- *269 Miscellaneous timber posts and framework
- *270 9 pre-framed sections of window arches
- *271 8 pallets of concrete and Thermalite blocks
- *272 24 x 150mm clay drainage pipes together with a stillage of connectors, bends and other fittings
- *273 1 roll and a part roll of chain link fencing and straining wire
- *274 2 pallets of heavy checker plate steel sheets
- *275 9 bags of granite setts and a part bag of iron stone
- *276 3600 Wienerberger sandwell red facing bricks and Class B engineering bricks
- *277 Approximately 150 concrete road kerbs
- *278 2 pallets of reconstituted stone window lintels
- *279 Approximately 25 pallets of common, red, buff and other facing bricks (estimated at approximately 6500 bricks)
- *280 Approximately 15 pallets of concrete and Thermalite 4" and 6" blocks and bricketts
- *281 12 bags of large granite blocks, setts, walling stone etc
- *282 5 pallets of various canted and facing bricks (approximately 1000 in total)
- *283 14 pallets of concrete paviors and pavior edging bricks and kerbs (estimated at approximately 3000 in total)
- *284 Approximately 10 pallets of various concrete kerbs etc
- *285 8 pallets of various red and buff facing bricks (estimated at approximately 2000 in total)
- *286 7 part pallets of specialist coping bricks, canted bricks, Staffordshire blue wall bricks, vents etc
- *287 A large quantity of various concrete roof tiles, peg tiles, finials etc
- *288 1 ton bag of MOT
- *289 9 packs of 100 H&H Celcon blocks
- *290 10 packs of Wienerberger Sunset red multi facing bricks (5000 bricks)
- *291 10 packs of Wienerberger Sunset red multi facing bricks (5000 bricks)
- *292 10 packs of Wienerberger Sunset red multi facing bricks (5000 bricks)
- *293 10 packs of Wienerberger Sunset red multi facing bricks (5000 bricks)
- *294 8 packs of 100 Celcon blocks
- *295 Steel staircase together with a range of steel channel RSJ and angle
- *296 Miscellaneous water, drainage and other piping
- *297 A large quantity of clay piped fittings together with a range of water meter boxes, plastic manhole parts etc
- *298 A range of concrete circular manhole sections together with ironwork frames and covers together with 5 x 2.5m concrete pipes
- *299 Approximately 14 Subframes window frame templates
- *300 4 pallets containing approximately 230 concrete blocks
- *301 12 pallets of charcoal concrete paviors brackets approximately 3500 in total
- *302 3 flag poles
- *303 A quantity of insulation batts (on 2 pallets)
- *304 Approximately 25 wheelie bins and other bins
- *305 Quantity of plastic drainage and other piping

- *306 A large quantity of timber pallets
- *307 8 pallets of Wienerberger Sandwell red multi facing bricks (3200 in total)
- *308 6 pallets of various concrete blocks and paviors
- *309 21 concrete wall coping stones
- 310 A range of terracotta reclaimed wall and building coping bricks, finials and specialist bricks on six pallets
- 311 A large heap of logs together with a heap of cut pallets
- 312 Spare lot
- 313 Spare lot
- 314 Spare lot
- 315 Spare lot
- 316 Spare lot
- 317 Spare lot
- 318 Spare lot
- 319 Spare lot
- 320 Spare lot
- *321 Quantity of beige room divider screens some with glass panels, 2 assembled and approximately 15 flat pack
- *322 Small blue exhibition display stand and 12 blue desk divider screens
- *323 8 brown cloth swivel armchairs
- *324 Light oak radial desk with a straight front desk, 6 assorted chairs and a small coffee table
- *325 2 light oak radial desks with 2 matching pedestals and another pedestal
- *326 11 various cabinets including metal cabinets, light oak cabinets, bookshelves and filing cabinets
- *327 4 light oak slab end radial desks with 4 matching 3 drawer pedestals
- *328 7 various desks mainly light oak finish with 4 assorted pedestals and plastic in trays
- *329 9 Silverline coffee and cream tambour fronted cabinets
- *330 The contents of a small office comprising of 3 light oak 4 drawer filing cabinets, radial desk with 3 drawer pedestal, 3 matching brown upholstered reception type chairs, executive office chair, table, 2 bookshelves and a small work station
- *331 The contents of a small office including a large light oak boardroom table, corner desk, 2 light oak tambour fronted cabinets and a Nice Day presentation board (excluding IT)
- *332 The IT comprising of Kyocera all in one printer, 3 flat screen monitors, box of cables and keyboards and a glass screen monitor
- *333 The contents of the 2 small offices including 3 light oak straight front desks with hanging 3 drawer pedestals, 3 further 3 drawer pedestals and a Silverline coffee and cream tambour cabinet, 2 office chairs, light oak radial desk and a quantity of spare drawers
- *334 The contents of the small kitchen including a Daewoo white microwave oven, white kettle and grey table with 4 matching stacking chairs
- *335 A reception area including 3 coffee and cream 4 drawer filing cabinets, 2 coffee and cream metal pedestals, mobile display board and a large indoor potted plant in a terracotta pot
- *336 A David Green watercolour of Oakley signed and dated 1998
- *337 The contents of 3 small offices including 3 coffee and cream 3 drawer filing cabinets, 7 coffee and cream 4 drawer filing cabinets, 5 wooden framed reception chairs, 3 office swivel armchairs, 2 Samsung toner cartridges, suspension tape and a box of mugs
- *338 A rosewood effect executive office desk by President Office Furniture, a black executive swivel armchair, 2 framed and glazed pen drawings, coffee and cream 4 drawer filing cabinet, rosewood effect straight front office desk with black leather top, 2 wall mounted tambour cabinets, balloon back chair, grey swivel armchair and a grey 4 drawer filing cabinet
- *339 An office comprising of 2 light oak radial desks with matching 3 drawer pedestals, straight front desk, brown swivel office armchair, reception chair, 2 coffee and cream 4 drawer filing cabinets, coffee and cream tambour cabinet and wall hanging and wall mounted shelves
- *340 The Storeroom contents of wooden racks approximately 14m total length softwood custom built shelve some with solid shelves others with slatted shelves (for dismantling)
- *341 The furniture contents of 2 portable cabinets including a rosewood effect boat shape meeting table, 10 matching green upholstered chairs, 2 small oak tables with 2 matching chairs, A frame board, 3 metal frame office tables, pair of wooden framed reception chairs, 3 assorted reception chairs and a wooden bookshelf
