  - \*405 Yingli Solar YL240P-29B PV solar panel, rated max. power 240w and 2 Moser Baer Photo Voltaic Ltd. Max Series PV solar panels, maximum rated power 230w
  - \*406 11 Perlight Solar Co. Ltd. PLM-250MB-60 PV solar panels, maximum rated power, 250w
  - \*407 6 Vikram Solar Eldora VSP.60.250.03 PV solar panels, rated peak power 250w and Beijing Co. Ltd. ZKX-240P-24 PV solar panels, maximum power rated 240w
  - \*408 4 Astro Nergy CHSM561 2M-185 PV solar panels, maximum power rated 185w
  - \*409 6 large solar panel plastic housings
  - \*410 5 Chimt Grid PV-inverters CPS SC1.5KTL, please note some boxes have been opened
  - \*411 4 Chimt Grid PV-inverters CPS SC2.8KTL, please note some boxes have been opened
  - \*412 Chimt PV-inverter CPS SC4KTL, please note box opened
  - \*413 Solis PV inverter Solus-1K-2GUK, please note box opened
  - \*414 MNIK Omnic New Energy PV inverter 2.0KTL and a 1.5KTL, please note both boxes opened
  - \*415 SMA Solar Technology Solar inverter SB2500 inverter for grid feeding Sunny Boy 2500, please note box opened
  - \*416 Soleos Oxygen 3400 PV grid inverter wifi model, please note box opened
  - \*417 Aurora Trio-27.6-TL-OUTD-S2X-400 PV inverter, unboxed and previously fitted
  - \*418 Pallet of 2 electrical boxes with digital meters, box of connectors, MC4F and MC4M plugs and V phase VX1 installation kit
  - \*419 4 Zeversolar Eversol-TLC 20K PV inverters, please note all boxes opened
  - \*420 3 Solis model Solis-Mini-700 PV inverters and 4 Solis model Solis-Mini-1000 PV inverters, please note some boxes opened
  - \*421 Power-1 String Comb-3M22-S2X, please note previously fitted
  - \*422 3 APS grid connected micro inverters YC500A, please note some boxes opened
  - \*423 2 trays of specialist solar power connectors, sockets and plugs
  - \*424 3 Solar electronics grid inverters STECA Grid 200+, please note some boxes opened
  - \*425 10 AECA model Steca Grid 300-M mini solar PV inverters
  - \*426 SMA solar technology SB3300 solar inverter for grid feeding Sunny Boy 3300, please note box

	opened	*459	SMA Sunny Web box and 2 component parts
*427	SMA SB3000 TLST-21 PV inverter single tracker, please note box opened	*460	2 SMA Sunny Web boxes, Sunny Web box with bluetooth and BT
*428	Draper electric gas space heater	*461	2 Fronius IG personal displays, Fronius comm card plus SMA Sunny piggy back kit
*429	8 boxes of foam padded type insulation tape	*462	Half shelf of rotary isolator and disconnect switches
*430	ABB Power-1 Trio inverter, please note previously fitted	*463	5 Iskraemeco digital meters
*431	Pallet of marquee poles and solar panel padded cases	*464	6 SMA DM-485CD-10 modules
*432	Pallet of plastic solar panel casings	*465	5 SMA meter connection boxes and other modules
*433	2 pallets of mainly electronic components and fixings for PV solar power products	*466	Pair of electrical crimpers and Brother label printer
434	spare	*467	Selection of digital meters and SMA meter connection boxes and other modules
*435	Bucket and bag containing heavy duty white bags	*468	Half shelf of Iskraemeco static monolithic meters
*436	Approx. 20 various sized linbins containing stocks for PV solar power panels and inverters	469	spare
*437	7 S-5 Solutions 40 Grip Mini fixing kits	470	spare
*438	Approx. 35 Geo Bridge cloud connectivity kits for Geo displays	*471	2 pallets of solar panel PV specialist fixings
*439	13 Geo Solo II PV solar PV displays with LED transmitters	472	Pallet of Hook Stop rubberized tiles and box of associated fixings
*440	13 Geo Solo II PV solar PV displays with LED transmitters	*473	2 pallets of solar power specialist PV fixings, plastics, corrugated materials, etc.
*441	13 Geo Solo II PV solar PV displays with LED transmitters	*474	Large quantity of aluminium length metal profiles for solar power PV installation
*442	MNI PV inverter 1.5KTL and MNI PV inverter 1.0KTL, please note both boxes opened	475	4 Envisage black laser toner cartridges for use in HP 4250/ Q5942A and 5 Envisage black laser toner cartridges for use in HP 4000/ C4127X printers
*443	Solis PV inverter Solis-15K M08, please note box opened	*476	5 reels of cable incl. approx. 1000m of solar PV1-F 6.00 black, approx. 200m 2 core shielded cable and 2 other reels
*444	Zeversolar PV inverter Evershine TLC 8000, please note previously fitted	*477	Large site toolbox, no key
*445	Fronius model Fronius IG30 PV inverter, please note box opened	*478	Pallet of assorted reels of armoured and other cable
*446	Solar Power System Series Opti-Solar On-Grid inverter GT3000, please note box opened	*479	Content of site box, mainly solar power fixings and other lengths of metal
*447	7 white solar module enclosures	480	spare
*448	2 boxes of APS grid connected micro inverters YC500A and associated parts		
*449	14 boxes of A2 rivet type fixings		
*450	7 CMB1000 mounting blocks		
451	Surface table		
*452	4 wheel trolley		
*453	3 boxes of safety labels incl. 'Danger live solar cable' and small tabs for identifying cabling		
*454	Half bay of assorted items incl. tool bags and protective wear		
*455	Selection of advertising products incl. large south facing free standing sail and other similar products		
*456	Selection of fixing brackets		
*457	Large ramp for cable protection		
*458	2 small solar panels
